

Health Innovation Funding Investment (HIFI) Awards Proposal Information Form

Applicant Information

Principal Applicant

| | |
|-------------------------------|--|
| Name | |
| Title | |
| Email Address | |
| Faculty and Department/School | |

Co-applicant(s)

| | |
|-----------------------------------|--------|
| Name(s) & Faculty / Department(s) | • • |
|-----------------------------------|--------|

Nature of the collaboration:

Does this represent a new or existing collaboration? New Existing

Does the project include trainees? Yes No

Please note: The **principal applicant must be a faculty member at UBC-V or UBC-O. Co-applicants must come from at least one other discipline or faculty. Ideally at least one trainee will be involved. Cross-campus collaborations are encouraged.

1 High-Level Proposal Summary

1.1 Title

Please provide a very brief title (<20 words) for your proposed health innovation.

| | |
|-------|--|
| Title | |
|-------|--|

1.2 Intended Outcome

In one or two sentences (no more than 50 words), what outcome (value, benefit, change) will this health innovation deliver? It is not expected that the value is monetary.

| | |
|------------------|--|
| Intended Outcome | |
|------------------|--|

1.3 Amount Requested

Please indicate the amount of funding requested from the HIFI Award, which can range from \$10,000-\$25,000. There is room for budget details and assumptions in other sections below.

| | |
|--------|----|
| Amount | \$ |
|--------|----|

1.4 Equity, Diversity, and Inclusion

Please indicate briefly how this project meets principles around equity, diversity and inclusion, through the collaborative team and/or the initiative deliverable.

| | |
|----------------------------------|--|
| Equity, diversity, and inclusion | |
|----------------------------------|--|

2 Proposal Details (1 Page)

Please limit this section to a single page (including the existing titles and section descriptions).

2.1 Context

Describe in a couple of sentences the health innovation context or background with emphasis on the issue or opportunity it seeks to address.

| | |
|---------|--|
| Context | |
|---------|--|

2.2 Initiative Scope

Briefly describe the specific work that will be done, i.e. how the funding will be used.

| | |
|-------|--|
| Scope | |
|-------|--|

2.3 Initiative Deliverable(s)

Describe the end result or “product” of this health initiative, e.g. grant application, workshop, KT product. Please include your anticipated delivery date for this end result.

| | |
|----------------|--|
| Deliverable(s) | |
|----------------|--|

3 Resources

3.1 Budget

Provide a budget showing **major** categories of spending. It is not expected that you have other funds available, but if you do plan to combine HIFI funds with other sources, please note those below.

| Item | Amount |
|---|--------|
| | |
| | |
| | |
| | |
| Total budget | |
| Amount funded through other means (if any) | |
| Amount requested from the HIFI Award | |

3.2 Budget Assumptions

Explain any budget assumptions or contingencies that could affect the initiative. If this does not apply, please indicate "N/A."

| Assumptions / Contingencies |
|-----------------------------|
| |

3.3 Faculty Responsibility

Indicate which unit will be responsible for the initiative.

| Faculty Responsible |
|---------------------|
| |

Please note, it is assumed that there is no new space and no new specialty IT services will be required for this initiative.
